## Description

**BIGGER & BETTER!** Stessl Aluminium Plate Boats SEAHAWK

The Stessl Seahawk builds on its predecessor's proven pedigree by providing even more cabin and deck space in a boat that's been engineered to take you further - safer! With an improved Platetrix hull design, more deadrise and massive fuel capacity, the Seahawk provides a softer, more comfortable ride to get you to where the fish are. The true half cabin design provides full 6ft bunks for a contented nights rest, all while still providing acres of deck space for fighting that fish of a lifetime or just purely entertaining.

With an improved Platetrix hull design, more deadrise and massive fuel capacity, the Seahawk provides a softer, more comfortable ride to get you to where the fish are.

Has been engineered to take you further - safer!
