## Description

INTRODUCING THE ALL-NEW TORO 60V BRUSHLESS AXIAL BLOWER (BARE TOOL)

Features included are:

- Up to 90 mins Run Time (Low Speed)
- Up to 185 Km/h Air speed
- Light weight (3.4Kg)
- 3 Year Domestic Warranty

Tired of using a rake or dealing with the power lead of your leaf blower? Easily tackle large amounts of leaves wherever you are in your garden. Even wet, heavy leaves are no problem. This blower is so easy to use that it will turn into an all-season tool – helping you clear clippings after mowing, debris left in your driveway after the latest storm, and dust from your garage.

Move large piles of leaves faster with 17 m<sup>3</sup>/min of air volume and 185km/ph air speed\*\*

Get more power when you need it with the variable-speed trigger and turbo-boost button.

Get more power and longer life out of your blower, thanks to a high-performance brushless DC motor with less friction, lower maintenance and less wear than a brushed motor.

Save your strength, stay comfortable and tackle big jobs with less effort. The cruise control feature and ergonomic handle are designed to reduce arm fatigue.

Choose Toro with confidence to save time, eliminate hassles and have a great looking garden. Introducing the 60V Max\* Lithium-Ion Flex-Force Power System®, where you don't have to sacrifice performance to enjoy the ease of battery power. Toro's legendary reliability, durability and performance. Finally, a cordless platform without compromises. Flex-Force Power System® Battery and Charger are sold separately and can be used across the range of hand-held tools.
