## Description

INTRODUCING THE ALL-NEW TORO 60V BRUSHLESS STRING TRIMMER (BARE TOOL) - MODEL NO: 51835T

Features included are:

- Cut length 36 cm, Line Diameter 2.0 mm, Run time^ up to 50 min
- Weight: 4.58 Kg
- Variable trigger, 2 speed ranges

### MORE POWER, MORE RUN TIME, EXTENDED LIFE

Thick grass or large gardens are no problem for this efficient high-performance string trimmer. This hand tool will give you the run times needed to get your weekly trimming done. When you have heavy trimming to do, equip your tool with a more powerful battery, bigger line, adjust the cutting width and you are ready to tackle heavy grass conditions.

Pick Your Performance. For a quick clean-up or tackling tall, tough grass, customise performance to match the job by adjusting your line size and cutting length. Optimise for run time or performance by adjusting line size (2 mm or 2.4 mm) and/or cutting length (30.6-40.6 cm).

Replace your line in no time. No Spools! Quick and easy, just thread the line and spin the dial.

Expect superior durability and performance. This trimmer is made for the tough jobs with more motor torque and a cast-aluminium direct-drive head.

Make tasks easier with extended power, run time and product life. High-performance brushless DC motor with less friction, lower maintenance and less wear than a brushed motor.

Choose Toro with confidence to save time, eliminate hassles and have a great looking garden. Introducing the 60V Max\* Lithium-Ion Flex-Force Power System®, where you don't have to sacrifice performance to enjoy the ease of battery power. Toro's legendary reliability, durability and performance. Finally, a cordless platform without compromises. Flex-Force Power System® Battery and Charger are sold separately and can be used across the range of hand-held tools.
